THE FUTURE

Parking Info Line- 323-860-7397

You may have noticed that major construction has begun across the street from the Village as we begin a two-year project to create the new Anita May Rosenstein Campus. The new building will feature a Senior Services Center as well as up to 100 units of senior housing. The staff has begun brainstorming program ideas for the new building including increasing intergenerational opportunities for seniors and youth. We know the inconvenience this may cause for seniors coming for activities and case management services. To address this concern, we are expanding programming this month to Triangle Square with several parking garages conveniently located within short walking distance as well as metered street parking in front of the building. Financial assistance is available on a limited basis through our Seniors Helping Seniors fund for parking to attend our services during construction. We are reviewing alternate locations for programs which include more parking opportunities as well as expanding activities at Mi Centro in Boyle Heights and in the Valley on Thursdays at MCC Church in upcoming months. We appreciate everyone's patience and continued support during construction as we move toward the opening of the Anita May Rosenstein Campus.

Hello from Mi Centro –

The Policy team has been working to ensure the LGBT senior community is being properly represented at state and national levels. We've begun reaching out to you for help and have had an enthusiastic response to our efforts so far.

During this year's Senior Prom, we set up an action station where attendees could write postcards to Senator Kamala Harris. We asked her to protect the Supplemental Nutrition Assistance Program (SNAP). This program is one of many facing cuts in the proposed 2018 federal budget. We also thanked her for her continued work on equality issues.

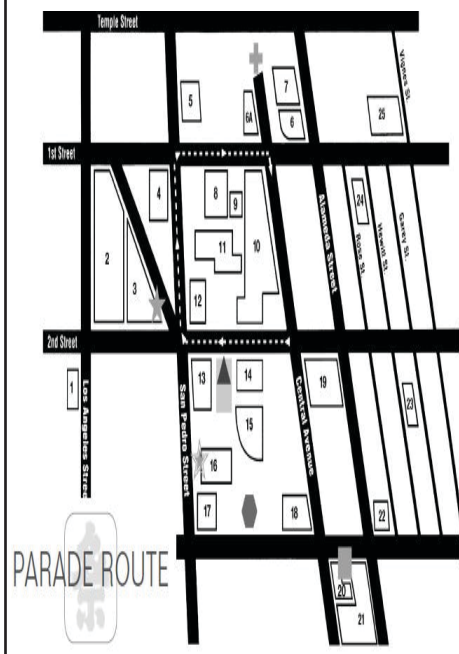

Our first Senior Mobilization Squad meeting was a huge success, with over 40 people in attendance. We discussed which issues are most important to the community and made plans to meet again in August. It's not too late to join our Mob Squad! **The second meeting will be held on Monday August 14th at 5:00PM in the community room at Triangle Square, located at 1602 Ivar Avenue in Los Angeles. Join us for dinner, updates, and an action. Please RSVP to Tanya: 323-860-5828 with event number 0837**
Thank you for being part of this important work. I look forward to seeing you at August's meeting.

--Tanya Witt, National Community Center Policy Manager
